

# LOVE THE CITY TRUCK TRAINING

## The WHY

Each one (“Me”) of us loves the city one life at a time, everywhere we go. From a garden to a city, the Kingdom of God is moving in and through us. “We” also come together to do Love the City and create intentional touch points for the one to experience love, belonging and purpose.

We believe Jesus gets **CLOSE** and moves right into our neighborhoods where we live, move and have our being (Acts 17) and all deserve the same. The City is God’s plan from the start and we seek its welfare.

Each Block Party is an extension of Heaven’s love for the **ONE**, to be amongst. Proximity and frequency leading to intimacy and opportunity for life and the Gospel. Our hope is that these touchpoints create good will which will make way for the **GOOD NEWS**.
